

FLOTAL[®]

FLOTAL[®] | E

FLOTAL[®] | ULTRA
CLEAR

Decorative Glasses

- Flotal is an ideal product for interior design. Due to its reflectivity, it enhances the interior spaces by illuminating and enlarging.
- Integrating with contemporary architecture, Flotal offers aesthetics, light and spaciousness to interior applications. When used creatively it provides a new perspective to tight and awkwardly shaped rooms.
- Flotal in bedrooms, bathrooms, kitchens, showrooms, sports rooms, stores, schools & kindergartens and other places will make world of difference.
- Float glass of Şişecam Flat Glass is converted to Flotal by using the world's most advanced technology.
- Flotal is available in clear, bronze, gray, blue and green colors.
- Max dimension: 3210 x 2500 mm.
Standard thickness: 3 mm, 4 mm, 5 mm and 6 mm.

Other Mirror Trademarks of Şişecam Flat Glass;

- Flotal E is ecological mirror that is produced without copper and lead paint. It has high moisture resistance.
- Flotal Ultra Clear is produced by using low iron float glass. So the reflections are brighter, more accurate, and colors are true-to-life
